Subject: Portland Superfund questions

Hi Dennis,

I have a couple questions about the EPA's actions to move forward with the PDX superfund ROD. We've been hearing from some groups that the EPA may be taking a different direction from the proposed plan. It would be helpful for me to get an update, do you have a minute this week to discuss? I can be reached at 202-224-5244.

Best,

Malcolm
